

FSMC RFP #23-02 (Walk Through Questions)

As a follow-up to reviewing the provided documents, I respectfully have the following questions and data requests for proposal development.

- The RFP refers to presentations and we would like to schedule it with you. Do you have any dates in mind? **No presentations will be required at this time.**
- Who will serve as the food service Liaison? **Jose Betancourt**
- In reference to the Labor Schedule- For district labor- I see there are SFA food service positions. Can you please provide a lump labor number for district labor? **There is only one SFA position.**
- Do you charge any indirect costs to the food service program. (i.e. custodial, warehousing, transportation, utilities, cashiers, clerical, etc.) If yes, please provide the dollar amount for our financial calculations. **No**
- Please provide Claim forms for November 2022 and January 2023 broken down by category and by school. Broken down by category of Lunches (Free/Reduced/Paid), Breakfasts (Free/Reduced/Paid) by school. We are looking for non-covid participation. **Attached**
- What is the Free and Reduced Percentage for each campus? **Chart #3 in the RFP has this information**
- Can students leave campus for lunch? **No**
- Do any employees (teachers, principals, etc) eat for free? If so, how much did the district subsidize in 2021-2022 for employees to eat for free? **No, employees do not eat for free.**
- Breakfast- do you currently offer grab and go breakfast? **No**
- Are there any early release days? **Yes** If so, does the district still serve lunch? **Yes**
- Are there any vending requirements or exclusive beverage contracts? I.e. Coke, Pepsi? **No**
- What is the current Point of Sale System that is in place? **Nutri-Kids**
- Is there a scoring / selection committee? If so, what positions will be on the selection committee? **School District Employees**

- What is the last day for questions? **Per the RFP addendum #2 03/20/2023**
