

Essential Resources	District Resources to Teach 100% of the TEKS: STEMscopes, Discovery Education, Brain Pop and Brain Pop, Jr.
Spiraled TEKS	Scientific Investigations & Reasoning 3.1A & B, 3.2A, B, C, D, E & F, 3.3A, B & C & 3.4A

Timeline	1st Quarter Aug 24 - Oct 16, 2020 (38 Instructional Days)	2nd Quarter Oct 19 - Dec 18, 2020 (40 Instructional Days)												
Reporting Category	Matter & Energy	Force, Motion & Energy/Earth & Space												
Big Idea	Science Introduction Properties of Matter Mixtures	Forms of Energy Force and Motion Soil Formation												
Big Idea	Previous Grade: 2nd - 4th Quarter "All previous grade TEKS were taught prior to COVID19 Remote Learning."	Previous Grade: 2nd - 4th Quarter "All previous grade TEKS were taught prior to COVID19 Remote Learning."												
TEKS	<table border="1"> <tr> <td>Current Grade</td> <td> 3.1A & B 3.3 C 3.4A journals, lab safety, and it's importance, connect concepts with history, careers and contributions of scientists & make informed choices about recycling and reusing natural resources </td> <td> 3.5A, B, C & D measure, test & record physical properties. classify samples of matter, changes in states of matter caused by heating and cooling and mixtures </td> </tr> <tr> <td>Previous Grade: 2nd - 4th Quarter</td> <td colspan="2">"All previous grade TEKS were taught prior to COVID19 Remote Learning."</td> </tr> </table>	Current Grade	3.1A & B 3.3 C 3.4A journals, lab safety, and it's importance, connect concepts with history, careers and contributions of scientists & make informed choices about recycling and reusing natural resources	3.5A, B, C & D measure, test & record physical properties. classify samples of matter, changes in states of matter caused by heating and cooling and mixtures	Previous Grade: 2nd - 4th Quarter	"All previous grade TEKS were taught prior to COVID19 Remote Learning."		<table border="1"> <tr> <td>Current Grade</td> <td> 3.6A, B & C forms of energy, changes in position and motion of objects and forces on objects </td> <td> 3.7A formation of soils </td> </tr> <tr> <td>Previous Grade: 2nd - 4th Quarter</td> <td colspan="2">"All previous grade TEKS were taught prior to COVID19 Remote Learning."</td> </tr> </table>	Current Grade	3.6A, B & C forms of energy, changes in position and motion of objects and forces on objects	3.7A formation of soils	Previous Grade: 2nd - 4th Quarter	"All previous grade TEKS were taught prior to COVID19 Remote Learning."	
Current Grade	3.1A & B 3.3 C 3.4A journals, lab safety, and it's importance, connect concepts with history, careers and contributions of scientists & make informed choices about recycling and reusing natural resources	3.5A, B, C & D measure, test & record physical properties. classify samples of matter, changes in states of matter caused by heating and cooling and mixtures												
Previous Grade: 2nd - 4th Quarter	"All previous grade TEKS were taught prior to COVID19 Remote Learning."													
Current Grade	3.6A, B & C forms of energy, changes in position and motion of objects and forces on objects	3.7A formation of soils												
Previous Grade: 2nd - 4th Quarter	"All previous grade TEKS were taught prior to COVID19 Remote Learning."													

Timeline	3rd Quarter Jan 4 - March 12, 2021 (48 Instructional Days)	4th Quarter March 22 - May 27, 2021 (48 Instructional Days)												
Reporting Category	Earth & Space	Organisms & Environments												
Big Idea	Changes to Earth's Surface Natural Resources Weather Objects in the Sky	Environments and Ecosystems Food Chains Adaptations Life Cycles												
Big Idea	Previous Grade: 2nd - 4th Quarter "All previous grade TEKS were taught prior to COVID19 Remote Learning."	<table border="1"> <tr> <td>Interdependence</td> <td>Physical Characteristics and Behavior</td> </tr> </table>	Interdependence	Physical Characteristics and Behavior										
Interdependence	Physical Characteristics and Behavior													
TEKS	<table border="1"> <tr> <td>Current Grade</td> <td> 3.7B & C rapid changes in Earth's surfaces and characteristics of natural resources that make them useful </td> <td> 3.8A,B, C & D day-to-day weather changes in different locations at the same time, connections between the Sun as a star, the Sun, Moon & Earth relationships TEKS and planets in Earth's solar system </td> </tr> <tr> <td>Previous Grade: 2nd - 4th Quarter</td> <td colspan="2">"All previous grade TEKS were taught prior to COVID19 Remote Learning."</td> </tr> </table>	Current Grade	3.7B & C rapid changes in Earth's surfaces and characteristics of natural resources that make them useful	3.8A,B, C & D day-to-day weather changes in different locations at the same time, connections between the Sun as a star, the Sun, Moon & Earth relationships TEKS and planets in Earth's solar system	Previous Grade: 2nd - 4th Quarter	"All previous grade TEKS were taught prior to COVID19 Remote Learning."		<table border="1"> <tr> <td>Current Grade</td> <td> 3.9 A, B & C physical characteristics of environments support populations of communities, flow of energy & changes in a food chain, environmental changes and effects on organisms </td> <td> 3.10 A & B structures and functions of plants and animals, and life cycles </td> </tr> <tr> <td>Previous Grade: 2nd - 4th Quarter</td> <td> 2.9 C the ways living organisms depend on each other </td> <td> 2.10 A physical and behavioral ways animals meet their basic needs </td> </tr> </table>	Current Grade	3.9 A, B & C physical characteristics of environments support populations of communities, flow of energy & changes in a food chain, environmental changes and effects on organisms	3.10 A & B structures and functions of plants and animals, and life cycles	Previous Grade: 2nd - 4th Quarter	2.9 C the ways living organisms depend on each other	2.10 A physical and behavioral ways animals meet their basic needs
Current Grade	3.7B & C rapid changes in Earth's surfaces and characteristics of natural resources that make them useful	3.8A,B, C & D day-to-day weather changes in different locations at the same time, connections between the Sun as a star, the Sun, Moon & Earth relationships TEKS and planets in Earth's solar system												
Previous Grade: 2nd - 4th Quarter	"All previous grade TEKS were taught prior to COVID19 Remote Learning."													
Current Grade	3.9 A, B & C physical characteristics of environments support populations of communities, flow of energy & changes in a food chain, environmental changes and effects on organisms	3.10 A & B structures and functions of plants and animals, and life cycles												
Previous Grade: 2nd - 4th Quarter	2.9 C the ways living organisms depend on each other	2.10 A physical and behavioral ways animals meet their basic needs
