Big Idea	Current Grade	Government is the institution that allows society to make and enforce public policies.	The United States government is built on the Constitution, which was derived from seven principals.	Political parties are groups of people that have the same ideology about government and its power.	The Constitution is divided into three branches: Legislative: makes the laws.	The Constitution is divided into three branches: Executive enforces the laws.	The Constitution is divided into three branches: Judicial: interprets the law.	A relation between people working cooperatively to solve local problems and participating actively in democratic decisions.
