# What is our Title I program?

- **Schoolwide means that all students are eligible to receive services and support.**
- **The law states that we must focus on those students who are 'at-risk' or 'most at-risk' of not passing the state assessment.**

# What is the State Assessment?

- TEA developed the STAAR assessment to measure what students have learned.
- The STAAR assessment is used in grades 3-8 this year. *EOC exams are used for 9-12.*

# What are the State standards?

- The academic standards in Texas are the **TEKS** – *Texas Essential Knowledge and Skills* – which TEA has developed for all grades and core academic subjects tested on the STAAR and TAKS tests.
- The TEKS tell us what students are supposed to know and be able to do from grade to grade. Classroom teachers use the TEKS as standards for their curriculum, instruction and assessment.

# Other Standards
