

# TITLE I, PART A

## What is Title I?

Annual Parent Meeting  
September 24, 2019  
Seele Elementary Cafeteria  
5:30 pm

# Why are we here?

- ESSA law requires that Title I Schools conduct an annual meeting with parents to

- *Provide information to parents regarding the benefits of the Title I program*

And

- *Share other information with parents about the 'Parent's Right-to-Know' section of the law.*

# What is the Title I program?

- Title I is a federal program funded through the ESEA (Elementary Secondary Education Act).
- Title I is designed to help students **achieve proficiency** on the challenging **Texas academic achievement standards**.

Being a Title I, Part A school means receiving federal funding (Title I, Part A dollars) to supplement the school's existing programs.

These dollars can be used for...

- Identifying students experiencing academic difficulties and providing timely assistance to help these students meet the State's challenging content standards (at-risk students)
  - Purchasing supplemental staff, programs, materials, and supplies
- Conducting parent and family engagement meetings, trainings, and activities

# What is our Title I program?

- Our school uses Title I funds, along with other Federal, State, and local funds, to operate a "schoolwide program."
- Schoolwide means that all students are eligible to receive services and support.
- The law states that we must focus on those students who are 'at-risk' or 'most at-risk' of not passing the state assessment.

# What is the State Assessment?

- TEA developed the STAAR assessment to measure what students have learned.
- The STAAR assessment is used in grades 3-10 this year.

# What are the State standards?

- The academic standards in Texas are the **TEKS** – *Texas Essential Knowledge and Skills* – which TEA has developed for all grades and core academic subjects tested on the STAAR tests.
- The TEKS tell us what students are supposed to know and be able to do from grade to grade. Classroom teachers use the TEKS as standards for their curriculum, instruction and assessment.
- For detailed information about grade level TEKS, you may go to:

<http://tea.texas.gov/index2.aspx?id=6148>

# Other Standards

- In addition to the TEKS... Texas also has the:
- College and Career Readiness Standards – CCRS
- English Language Proficiency Standards – ELPS
- Pre-Kindergarten Guidelines

# What is the purpose?

- Title I is designed to help students served by the program to achieve proficiency with the TEKS which is primarily measured by STAAR.

# What does our school do for students who need assistance?

- Tutorials
- Intervention(Differentiation) Blocks during the school day
- Additional support resources and materials
