

Conversion Chart for Level I - 2nd through 5th Grade

Table 1: 2nd-5th Grade KOI (Teacher Observation)*

Points on Matrix	1 (Average)	2 (Above Average)	3 (Superior)	4 (Very Superior)
Tallies from Observation	1	2-6	7-12	13+

Table 2: 2nd-5th Grade PIF (Parent Information Form/Survey)*

Points on Matrix	1 (Average)	2 (Above Average)	3 (Superior)	4 (Very Superior)
Sections Completed	at least 2	3	4	5+
Comments:	Typical of students that age; behaviors do not demonstrate traits above grade level expectations	Strong indicators provided; behaviors appear to be above average in many tasks/areas; typical performance of high-achieving students	Indicated behaviors are consistent across areas; exceeds standards and expectations of grade level; demonstrates positive response to task complexity and challenge	Exceptional demonstration in multiple areas; substantially exceeds expectations of grade level

Naglieri Nonverbal Ability Test 3	<110	110-114	115-119	120-129	130+

* Taken from Bertie Kingore's Observation Inventory and Scoring Guidelines

**Results from previous year STAAR used for 4th and 5th grade unless a student was from out of state or private school and then we use the benchmark

***This nationally normed school ability test is administered in 2022 to all second grade students only. The goal is to use this data for subsequent grade levels also in the future.
